Terry Spiske

Terry Spiske passed away on February 18, 2019 at the age of 30 due to complications of diabetes.

He will be lovingly remembered for his amazing smile, his dry sense of humor, his passion for gaming, his love of reading, his widespread knowledge base, his dedication to the Seattle Seahawks, his loyalty to friends and family, his unrestrained laughter when mom was overly naive and his love for everything Iron Man.

Always loved by parents Gail and Peter, sisters Kristen and Karly, brothers-in-law Dan and Mike, and his extended family and friends.

Pictures and memories can be sent to rememberingterry2019@gmail.com. These pictures will be posted for everyone to enjoy on Instagram account rememberingterry2019.

In lieu of flowers or donations, the family hopes that anyone who wishes would please take a photo of themselves with something Iron Man, as this was Terry's favourite, and send those into the e-mail address above. The pictures will be collected into a collage in honour of Terry and will be displayed at his Celebration of Life, which will be announced at a later date.

Condolences may be offered to the family below.
