

Thelma Emard

It is with heavy hearts that we announce the passing of our dear mother, grandmother, great grandmother and wife, Thelma Emard on July 28th in Victoria, BC. Although she fought bravely to stay longer, she lost her battle. Thelma leaves behind her husband, Art, of 70 years, her daughters, Louise Eljarbo (Ivan) and Marie Hoskins (Gary), her 3 grandchildren, Chad, Trevor (Bees), and Sara (Stephen) and 3 great grandchildren, Ben, Zach, and Spencer. It also brought her great joy to know that a baby girl will arrive to the family in November.

Thelma also leaves behind many cherished long term golf and bridge friends. June Walker, in particular, has been her dear friend for 70 years. After working for several years at Eaton's and St. Philip's church, Thelma led a very active, healthy and full life. She was often seen hitting balls on the tennis court, winning bowling titles and trying her very best to master the difficult game of golf. She will be sadly missed by family, friends, and her Bentley Wynd community.

The family would like to thank the remarkable hospitalists and nurses at Jubilee Hospital and also thank the caring staff at the Lansdowne program at Aberdeen Hospital. Please remember Thelma in your own special ways.
