

# Thelma Thirkell (nee Crane)

Thelma passed away peacefully in Victoria. She was predeceased by her husband, Alan, on May 15, 1974. She will be lovingly remembered by her children, Linda (Bernie), Patricia Whitefield; her grandchildren, Farron (Kellen), Kendall Casey (Rich); sister, Lenore.

She was an avid artist all of her life using oils and watercolours. Landscapes, animals and celebrities were her favourite subjects to paint. She outlived all her friends. Common sense was a strong point of hers.
