

Vera Patricia Muldrew

We said goodbye to our beloved mom on December 11, 2023, after a long decline.

She is predeceased by her husband George, daughters Dale and Patti May, as well as grandsons Levi, Jason and Andy, and her son-in-law Galen.

She is survived by her four remaining children Deidre, Leola, Joe (Deb), and Mary (Jim). Mom was blessed by many grandkids and great grandkids.

Mom raised us all as a single mother with love compassion and respect and we were always number one to her. We always had what we needed and made sure we had new outfits for Easter and new PJs for Christmas so we would have pictures. It became a tradition in our own families lol. She worked as waitress, cook, collected eggs at a chicken farm, ran the Patricia on the Pat Bay Highway as well as Pats Place in Fernwood. She was loved and respected by all the Vic High kids in the late 70s...she became a second mom to many.

You are a great lady mom and we will miss you.

There are many friends and family who know her or knew her and if anyone would like to leave stories or condolences, they may on the web page.

We would like to acknowledge and thank the staff and doctors at Glengarry Hospital – Richmond Unit, as they cared for, and cared about mom as well as us. Also, her room mate and buddy, Gwen.

Condolences may be offered to the family below.
