

Victor Leo Derman

With heavy hearts, we say goodbye to our beloved husband, father and brother, Vic Derman, who passed suddenly on March 17, 2017 at the age of 72.

Vic was a loving family man, a former junior and senior school teacher, a veteran Saanich Councillor and CRD Director, an avid cyclist and tireless community advocate who championed many causes relating to sustainability, climate change mitigation, smart growth, and livable, affordable communities.

Although Vic's perspectives and interests were broad and global in nature, he was most loyal and proud of his Saanich birthplace and felt his political role afforded him the opportunity to connect with citizens' needs and make his community "a better place".

He is survived by his wife Lauraine, daughter Michelle, sister Sheila and brother-in-law Rick Weatherill, nieces Marika and Danielle Smith, and many other loving extended family members.

The family welcomes the public to a Celebration of Life to be held April 2, at 2:00 pm. at the Victoria Conference Center, 720 Douglas Street.

In lieu of flowers, please consider donations to Vic's preferred charities: The Land Conservancy of BC (feature project: Madrona Organic Farm), SPCA Wild ARC, or the Greater Victoria Cycling Coalition.

Condolences may be offered to the family below.
