

Violet Christine Flumerfelt (nee Allen)

November 15, 1916 – December 6, 2014

We are saddened to announce the passing of Violet Christine Flumerfelt on December 6, 2014 in her 99th year. Born November 15, 1916 in Regina, Saskatchewan to parents Arthur and Elizabeth Allen and stepmother Dorothy Allen. Predeceased by her brothers Henry and Norman and sister Doris Ruemper. Survived by sister-in-law Doris Flumerfelt, many nieces and nephews, Fred and Marcella La Forge and their daughters, Renee and Louise. Also, a special thank-you to Peggy McFayden and Lori Bottoms for their great care and attention to Vi over the last several years.

Vi was married to the love of her life, Burton Emerson Flumerfelt (deceased) for 54 years. The first 35 years of their marriage were spent in Ottawa, before moving to Victoria, BC for their retirement years in 1985. Vi was a fun, vivacious, energetic lady who always loved a good joke. While in Ottawa, Vi belonged to the RCMP Ladies Curling Club and was a Past President and Life Member. She enjoyed needlepoint and knitting, making many sweaters for charity, which earned her a CFAX 1070 Citation Award. Special appreciation to Comfort Keepers for the kind and gentle care they provided in Vi's last weeks. Condolences may be offered below.
