

Wayne Douglas Wilkins

It is with heavy hearts that we mourn the passing of Wayne Wilkins. He will be greatly missed by his loving wife of 54 years, Rose, children Nicole (Larry) and Blaine (Kelli), and grand-daughters, Sylvie and Lochlyn. He was predeceased by his mother, Ellen, and father, John from North Battleford, Sask.

As a result of his hard-working nature and drive, he became the youngest commercial realtor in Saskatoon, then had a successful career in real estate and development in Kamloops. As a family with him at the helm, we customized and built 4 beautiful family homes.

In retirement, he loved lake life and boating at Shuswap and in the fruit/wine country of the Okanagan. Sharing these special experiences with friends and family was a highlight. He was always fond of classic cars and the beauties he once drove. Having moved to Victoria 5 years prior, he enjoyed time with family and many friends old and new.

To avoid the school of "hard knocks," he sent both of his kids to University and supported them through their careers and adult lives. Rose and Wayne had a lovely life of togetherness, travel and endless renovation projects and their love was an inspiration.

We thank him for his unwavering love and devotion to his family, wisdom, countless life lessons and incredible life experiences. He will be forever in our hearts and minds. Thank you to all who touched his life as you meant so much to him. Thank you also to the Doctors at the Cancer Clinic and home Palliative care teams.

Condolences may be offered to the family below.
