

William E. Alexander

It is with profound sadness we announce the sudden death of William E Alexander on January 15, 2024 at the age of 78. Born in Toronto on May 20, 1945, he is survived by his wife, Margie and their children Julie and Michael, and his sister Marilyn Smith.

Bill grew up in Toronto graduating from the University of Toronto. He continued his studies at the University of Michigan completing his PhD in economics.

He had a successful career at the Bank of Canada and the International Monetary Fund where he positively impacted the lives of many colleagues. He travelled the world extensively in his capacity as a central banker and international economist.

He and Margie raised their children in Ottawa and Virginia. He cherished his children and three grandchildren, Ivy, Silas and Cohen. In addition to his family and friends, he had many passions...sports cars, skiing, hockey, fine wine and single malts and his piano.

Bill was always curious with an ongoing appetite to learn.

He will be more than missed, he will remain a strong presence in our lives.

A celebration of his life was held in the Sequoia Centre at McCall Gardens at 4665 Falaise Drive, Victoria, BC on Sunday, May 26, 2024 at 10:00 am.
